Description
In the open countryside of Agia Marina Xyliatou, a short drive from the village centre, this agricultural field covers 4,014 m². It borders two roads, so it has direct road access, and the Astromeritis–Evrychou motorway is a drive away. Its agricultural zoning suits farming or planting. The villages of Vyzakia and Agios Georgios Kafkallou are also a short drive off.

The land is currently requisitioned by the Ministry of Defence. A sizeable, uncomplicated field with frontage on two roads.
