Description
Life in Paphos is close at hand here. The city centre is within walking distance, Kings Avenue Mall is only a short way off, and the coastline is within easy reach. Set in the residential quarter of Agios Theodoros, two apartments have been joined to form one generous home across two floors.

Together they offer eight bedrooms and four bathrooms in 306 m² of covered living space. One part holds five bedrooms and two bathrooms, and the other three bedrooms and two bathrooms. That leaves room for everyone to find a corner of their own, with plenty of space for gathering when the household comes together. Both parts have uncovered verandas, so there is open air for a morning coffee or a slow evening outdoors.

The home is currently occupied.

All of this comes with the ease of town living, where a stroll takes you into the heart of Paphos and the coast is never far away.
