Description
Daily life in Panagia keeps the essentials close. Schools, supermarkets, cafés and restaurants are all within walking distance, and medical centres and pharmacies are nearby too. Frederick University is close at hand, and Nicosia's city centre is easy to reach.

This two-bedroom apartment sits on the second floor of a building completed in 2006. It has one bathroom and covered verandas, room for a morning coffee or a relaxed evening meal outdoors without stepping far from home. The apartment also has its own covered parking space and a storage room on the ground floor, both for its exclusive use.

It is a straightforward home in a residential setting, where the shops, a table at a local café and the school run can all be done on foot. Parks, green spaces and a sports venue are a short drive away for the weekends.

The apartment is currently occupied.

Uncomplicated city living in Panagia, with your everyday needs a stroll from your door.
