Description
Life in Agios Nikolaos keeps the best of Limassol close. The General Hospital and My Mall Limassol are both nearby, the town centre is a short drive away, and the main highway towards Paphos and Nicosia lies close to home. It all makes for a residential setting where the everyday stays simple.

Inside, an open-plan space brings a kitchenette and sitting area together, so cooking and relaxing share the same easy flow. Two bedrooms and a shower room complete the layout. Step out onto the 16 m² veranda, a place of your own for a morning coffee or an unhurried evening meal in the open air.

The apartment is unfinished, so there is work ahead before it becomes a home. It belongs to a residential complex of two- and three-bedroom apartments, a compact and practical layout in a part of Limassol where the city is always within reach.

Two bedrooms, an open-plan living space and a veranda to enjoy, with the town centre only a short drive away.
