Description
Life in Agios Pavlos, Paphos, keeps the everyday close at hand. Shops and cafés lie within walking distance of this two-storey residential building, and the village of Chlorakas is nearby, so errands and evenings out need little planning.

Inside are two separate homes, one on each floor. Each has its own open-plan kitchen and dining area, a living room, a separate dining room and its own bathrooms. On the ground floor, covered and open verandas offer a place to linger outdoors over a morning coffee or a long evening meal. Upstairs, the home added in 2003 includes a master bedroom with its own en-suite and a covered veranda.

Beneath both homes, a basement of 163 m² gives generous storage space, and there is a parking space. The building is currently occupied.

Two homes under one roof, with the shops and cafés of a Paphos neighbourhood on the doorstep.
