Description
Geroskipou keeps everyday life close at hand. This three-storey residential building stands right beside supermarkets and shops, with restaurants, cafés and the town centre within walking distance and Paphos centre easy to reach.

Spread across two blocks, the building holds twelve apartments: one with a single bedroom, eight with two bedrooms and three with three bedrooms. Covered verandas give the apartments outdoor space, while the ground floor pairs two apartments with a parking area for five cars.

The mix of apartment sizes gives the building a varied residential character in a town where errands, a morning coffee or an evening meal out are only a short stroll away. The airport and the wider Paphos area are a short drive off.

The building is currently occupied. The sale is a 50% share of the building. Twelve homes and the shops of Geroskipou on the doorstep give this building a strong everyday appeal.
