In the residential quarter of Agios Dimitrios in Strovolos,...

For Sale : **€ 550,000**

Description
In the residential quarter of Agios Dimitrios in Strovolos, this four-bedroom house has a school close by, Acropolis park a short walk away and Nicosia's city centre within easy reach. It is a setting where school runs, park strolls and trips into town all fit comfortably into the day.

The home offers generous living space on a 521 m² plot, with three bathrooms to keep busy family mornings moving. Covered verandas offer a shaded spot for a morning coffee, while open verandas invite long evenings outdoors. A large basement adds a whole extra level of space below, and there is parking for two cars.

The house is currently occupied.

This is a family house to put down roots in, with room for everyone indoors and out, green space nearby and the life of the capital close at hand.
