Description
A public green area runs along one side of this four-bedroom house in Archangelos Anthoupoli, Lakatameia, giving the home a leafy neighbour in an attractive residential setting. Everyday life unfolds on the ground floor, with the rooms, the verandas and the comings and goings of the household all on one level.

Inside, four bedrooms and two bathrooms leave room for everyone to have their own corner. Outdoors, a covered veranda offers a shaded spot for morning coffee, while a larger open veranda invites long evening meals in the Mediterranean air. The house sits on a generous plot with direct road access and parking for two cars.

Daily routines stay simple here. Schools, supermarkets and shops are a short drive away, and Strovolos is close at hand for a wider choice of cafés and errands.

The house is currently occupied.

A home on one level, with verandas for living outdoors and a public green space right beside it.
