For Sale : **€ 330,000**

Description
A landscaped garden with its own barbeque area and kiosk sets the tone for this detached two-storey house in Ypsonas. It is a family home where life moves easily between the rooms and the outdoors.

On the ground floor, an open-plan sitting, dining and kitchen area sits alongside a second sitting and dining space. That leaves room for lively gatherings and calmer evenings alike. A guest toilet and a laundry room keep daily routines simple, and a partly covered veranda offers some shade for long lunches outside.

Upstairs are four bedrooms, including a master bedroom with an en-suite shower room and wardrobe, plus a further bathroom and two open verandas. A covered parking space and direct road access take care of the practical side.

Schools, supermarkets and shops are a short drive away, as is the village of Kolossi. The house is currently occupied. The sale is for a 16.67% share of the property. Above all, this is a home built around family life, with a garden and barbeque area made for warm evenings outdoors.
