**Description**
Just outside Pentalia village in the Paphos district, this agricultural field covers 1,673 m² of open countryside. Other farmland and undeveloped parcels surround it, so the area keeps a rural, landscape-led character away from built-up development.

Its agricultural zoning suits farming or planting. The land has no direct road access. The neighbouring village of Agia Marina Kelokedaron is also part of this farming area. This is a sizeable plot of agricultural land in the Pentalia countryside.
