For Sale : **€ 1,000**

Description
On the farming edge of Pigenia, in the Nicosia district, this agricultural field lies among other cultivated and undeveloped parcels. Its zoning supports farming, and the land around it keeps a working, rural character. The village centre is a short drive away, and so is the neighbouring village of Selladi Tou Appi.

A registered footpath runs along one border on plan only and does not exist on the ground. The sale is a 1/8 share of the field. It is a modest piece of agricultural land set within a wider farming landscape.
