For Sale : **€ 7,500**

Description
Just beyond the edge of Pano Pyrgos, this field sits among a gentle mix of village homes and open parcels, with the warmth of Cypriot village life right on its doorstep and the beaches only a short drive away.

The land lies in a residential zone, which gives it room for a home of up to two floors. It is easy to picture what that could mean: unhurried days shaped by the rhythm of the village, with the sea close enough for an afternoon swim whenever the mood takes you. The setting is still taking shape, with houses already standing nearby and undeveloped plots around them.

The land has no direct road access on site. The sale is for a 1/2 share of the field.

For anyone drawn to village living within reach of the coast, this piece of Pano Pyrgos offers a place to begin, close to the village and a short drive from the shore.
