For Sale : **€ 1,000**

Description
Village life sets the tone in Pigenia, a Nicosia district community where this small residential field sits a short distance from the village centre. The neighbourhood around it is a mix of homes and open parcels of land, a modest and genuine setting away from the bustle of town.

The field lies within a residential zone, so its general use is housing. The land has no direct road access.

Everyday needs such as supermarkets and cafés are a short drive away. For time outdoors, the waters of Pomos Reservoir are within a drive, a pleasant contrast to the village streets.

The sale is for a 1/9 share of the field. It offers a simple stake in an authentic village setting, in a part of Cyprus where the countryside is never far.
