For Sale : **€ 4,600,000**

Description
On the sloping land outside Pigenia village, fifteen adjoining fields look out over the surrounding countryside and towards the sea. Forest land and open parcels lie all around, with a few homes scattered through the area, and the coastal road runs on towards Kato Pyrgos.

Together the fields cover 230,448 m² of sloping, irregular ground. Part of the land lies in an agricultural zone, suited to farming, and part lies in a residential zone, where there is room for a home. Four of the fields sit beside the coastal road and have direct road access. The other eleven have no direct road access.

Shops, cafés and the village of Mansoura are a short drive away, and the Gialia Monastery is within a drive for a quiet afternoon out.

For one of the fifteen fields, the sale is a 1/9 share. What stays in the mind is the land itself: a wide sweep of countryside, open to the sea.
