Description
Sea views open out from this sizeable stretch of land near Pissouri. It is made up of two adjoining fields in a touristic zone. The ground is largely flat, and the outlook takes in the surrounding countryside as well as the sea.

Covering 36,860 m², the land has direct road access, with a long frontage on a registered road. Its touristic zoning allows hotels of up to three floors, and touristic villages or houses of up to two floors. Undeveloped plots surround it, which gives the setting an open feel.

Columbia Beach resort lies close by, and the centre of Pissouri village is a short drive away. Paphos International Airport is about 20 km off.

This is a large, level piece of Pissouri countryside with the sea on the horizon.
