Sea views and a beach within walking distance
set the scene...

For Sale : **€ 2,090,000**

Description
Sea views and a beach within walking distance set the scene for these two adjoining fields in Polis, on the Paphos coast. Together they cover 20,512 m² of relatively flat land, looking out over the surrounding area towards the sea.

Both fields lie in a touristic zone, where a hotel, a tourist village or houses of up to two floors may be built. A long combined road frontage gives the land direct road access, and water, electricity and telecommunications can be connected. Residential developments and undeveloped plots make up the neighbourhood around it.

Life here moves at the pace of the coast. The beach is close enough to reach on foot, the marina at Latchi is a short drive away, and Paphos International Airport lies about 35 km away, so arriving and settling in is straightforward.

Picture standing on this level ground with the sea in sight and the sand a short stroll away. It is a large piece of the Polis coastline, waiting for a vision to shape it.
