Description
Distant sea views and the easy charm of Pissouri Bay set the tone for this sizeable touristic field. It lies a short way from the bay and just outside Pissouri village, in the Limassol district, where the coast and the countryside meet.

The land slopes gently to the east, and from it the sea shows on the far horizon. Its touristic zoning points to tourist use, with buildings of up to three floors allowed. Open, undeveloped land and touristic units make up the immediate surroundings. The wider Pissouri area is well developed for visitors, with hotels, restaurants and shops all within a short drive. Paphos International Airport is about 20 km away.

The field has no direct road access. The sale covers a 64% share of the field.

A gentle slope, a glimpse of the sea and the bay close by make this a piece of Pissouri well worth a visit.
