

For Sale, Land, Field, Nicosia, Latsia, Agios Georgios

Set among homes and undeveloped parcels in the Agios Georgio...

For Sale : **€ 1,500,000**

Description
Set among homes and undeveloped parcels in the Agios Georgios quarter of Latsia, close to the University of Cyprus campus, this field spreads across 22,176 m² of sloping, irregularly shaped ground. Lakatameia and Strovolos are a short drive away.

Part of the land lies in a residential zone, with room for a home of up to two floors. Another part falls within a protection zone. Water, electricity and telecommunications could be brought to the land. The land has no direct road access. It is a large, sloping holding within the town of Latsia.
