For Sale : **€ 1,550,000**

Description
Close to the centre of Meneou, this large field of 49,020 m² has a flat, even surface and a mostly regular shape, with a narrow strip that runs out to one of its roads. It has direct road access from two roads and is served by water, electricity and telecommunications. Main roads are easy to reach, and Larnaca and Kiti are both a short drive away.

The land falls within more than one planning zone: parts are agricultural, suited to farming, and parts are residential. A part lies in a protection zone. A level, sizeable field near the village centre, with roads on two sides.
