For Sale : **€ 1,368,000**

Description
A distant view of the sea opens up from this large field in Timi, set close to the heart of the village, with restaurants and cafés within walking distance. It is a place where village life and the coast on the horizon meet.

The land rises on a smooth, gentle slope and has direct road access along a long frontage. It lies in a residential zone, with room for a home of up to two floors, and it has the potential to be connected to electricity, water and telecommunications. Open parcels and residential developments surround it. Road widening along the frontage is expected to take a small part of the land.

Imagine an evening on this hillside with the sea in the distance, then a stroll down for dinner in the village. Paphos International Airport is a short drive away, which keeps journeys simple.

Generous land in a residential setting, with Timi close at hand and the sea on the horizon.
