For Sale : **€ 1,160,000**

Description
Sea views and open countryside frame these two adjoining fields close to the heart of Avdimou village, in the Pissouri area of Limassol. Standing on this land, the sea sits on the horizon, while the gentle pace of village life carries on nearby.

Together the fields cover 18,785 m². They are regular in shape and mostly flat and even, with parts of each sloping away. Both are zoned for tourist use, and buildings of up to two floors may be built.

The surroundings are mainly undeveloped land, dotted with a few scattered tourist units. Beyond them lies Pissouri, a well-developed tourist area with hotels, restaurants and shops, and Pissouri Bay is not far away. Paphos International Airport is about 20 km off.

The land has no direct road access. What it offers is a sizeable stretch of touristic land, sea views and a village setting between Avdimou and Pissouri Bay, where the coast is close at hand.
