For Sale : **€ 1,101,000**

Description
A large field of 59,571 m² in Pera, a short drive from the village centre and from the neighbouring villages of Politiko and Episkopeio. The land has an irregular shape and lies among homes and undeveloped parcels.

Part of the field is agricultural land for farming and planting. Another part lies in a residential zone, with room for a home of up to two floors. Water, electricity and telecommunication services are available. The land has no direct road access. It is a sizeable parcel that combines farming land with a residential part.
