For Sale : **€ 1,085,000**

Description
Close to the centre of Anarita village, this large field of 13,924 m² lies in a neighbourhood where homes stand alongside undeveloped parcels of land. Its smooth, gently sloping surface and long road frontage give it direct road access and an unpretentious, open character.

The land is zoned for residential use, with room for a home of up to two floors. Water, electricity and telecommunications can be connected, so the essentials for a future home can be brought to the site.

Picture a home set into the gentle slope, with village life close by. The village centre is within easy reach for a coffee or the daily shopping, and Paphos International Airport is a short drive away, which keeps trips to and from the island simple.

The sale is of a 3481/3679 share of the field.

A sizeable stretch of residential land beside a living village, with the airport close at hand.
