Description
Set among farmland in the Pachna countryside of Limassol, this large field covers 58,529 m² of smoothly sloping ground in a roughly rectangular shape. The land is served by water, electricity and telecommunications. Its zoning covers both agricultural and residential use, and the area around it is agricultural in character.

A path runs along two of its borders. The land has no direct road access. Pachna village lies close by, with Dora and Prastio Avdimou also nearby. This is a sizeable, serviced stretch of open ground on a gentle, even-shaped plot.
