For Sale : **€ 1,000,000**

Description
Close to Pissouri Bay, in an area well developed for tourism, this large field of 10,034 m² opens onto sea views from part of its land. Around it lie open land and holiday accommodation, with Pissouri's hotels, restaurants and shops part of the wider picture, and cafés within walking distance. The land has a regular shape. One part is flat and even, while the rest slopes gently, giving the field a varied lie that follows the land towards the coast. A footpath used as a public road runs along one boundary, with a long frontage, and gives the land its access. Its touristic zoning allows two directions: a hotel of up to three floors, or residential use of up to two floors. Picture a home here, with the sea in sight from part of the land and the bay a short way off, or guests settling into a stay close to the shore. Paphos International Airport is about 20 km away. A sizeable piece of Pissouri, close to the bay, with the sea in view.
