Description
In the Agia Paraskevi quarter of Lakatameia, this agricultural field covers 19,510 m² of gently sloping ground. It is irregular in shape and fronts a registered dirt road, giving it direct road access.

Around it lie undeveloped parcels and scattered homes, with Latsia and Strovolos close by and easy access to the Nicosia–Limassol motorway. The agricultural zoning suits farming or planting. It is a sizeable parcel of agricultural land with plenty of room to plant.
