Description

High-Yield Commercial Plot on Tseriou Avenue – Strategic Acquisition for Business Development

Whether you are a visionary developer ready to establish a landmark commercial project or a smart investor looking to secure a high-yield asset, this exceptional 495sqm plot on the prominent Tseriou Avenue offers the perfect blank canvas. Buying land in this high-visibility, high-traffic sector provides the ultimate freedom to bring your business vision to life, surrounded by a thriving professional community that guarantees long-term value. This site is a strategic acquisition specifically suited for those who prioritize maximum ROI, professional prestige, and high-profile visibility in one of Strovolos' most active commercial arteries.

Strategic Development and Yield Potential

Boasting a well-positioned surface in a desirable commercial zone, this property is primed for immediate construction. With a 140% building density and 50% coverage ratio, the property offers fantastic versatility: it is ideally suited for a high-yield development, specifically a modern 4-story office building, high-end retail showroom, or a mixed-use commercial complex. The zoning allows for a maximum height of 17 meters, providing a clear path for developers looking to capitalize on the constant traffic flow and maximize yield potential in a prime urban business hub.
