Description
A large field of 23,078 m² in Tersefanou, a short drive from the village centre and from neighbouring Kiti. Part of the land lies in an agricultural zone, suited to farming and planting, and part lies in a residential zone, with room for a home.

The land has a long frontage along a dirt road, which gives it direct road access. The surrounding area is a mix of farmland, undeveloped plots and some residential development, and the Larnaca–Limassol motorway is within easy reach. A sizeable piece of ground that combines farmland with a residential part.
