Description
Set among the homes of Archangelos Anthoupoli in Lakatameia, this four-bedroom house offers generous space across three levels, with easy access towards Nicosia city centre and Nicosia Mall within easy reach.

On the ground floor, an open-plan living and dining room sits alongside a kitchen with its own sitting and dining area, a natural place for slow breakfasts and long family meals. A guest toilet completes this level. Upstairs, all four bedrooms are en suite, so everyone in the household has a private bathroom of their own. A veranda adds a place to step outside and enjoy the air.

Below, the basement holds storage areas, a laundry and a wine cellar, keeping everyday clutter out of sight and giving a favourite bottle a proper home. Two covered parking spaces mean arriving home is always simple.

Around the house lies a residential neighbourhood, with schools and green spaces a short drive away. It is a home made for family life, with room for everyone and the city close at hand.
