Description
In Agios Vasileios, everyday life in Strovolos can be lived on foot. Supermarkets, shops, restaurants and cafés are all within walking distance, and Nicosia city centre is easy to reach. Set among homes and businesses, this sizeable residential plot of 1,576 m² sits in a neighbourhood that feels connected and full of life.

The land has direct road access, and its residential zoning gives room for a home, with planning that allows up to three floors. That leaves real freedom to shape a home across several levels, designed around the way you want to live.
