For Sale : **€ 750,000**

Description
On the edge of Souni-Zanakia, a Limassol village where homes and open plots sit side by side, this sizeable field offers room to imagine a future rooted in village life, with Kantou Reservoir a short drive away and the city of Limassol within driving reach.

The land covers 30,238 m² in a long, rectangular shape, with a relatively flat surface and direct road access along one side. It is zoned for residential use, giving room for a home of up to two floors, and water, electricity and telecommunications can be connected to the site.

Picture a home rising here one day, with the familiar rhythm of the village around it. Neighbouring houses and undeveloped land shape the setting, and everyday comforts are never far away.

The sale is for a 50% share of the field. It is an uncomplicated stretch of residential land, where village cafés and restaurants are within walking distance.
