For Sale : **€ 615,000**

Description
Open land, a wide stretch of Paphos countryside and the Elea Golf & Spa Resort a short distance away. This sizeable residential field in Agia Varvara gives you the space to picture a home of your own in a setting that still feels open and unhurried.

At 9,700 m², the land has an irregular outline and a gentle slope. Large undeveloped fields surround it, with some residential developments nearby, so the area keeps an open, unbuilt feel. The residential zoning allows a home of up to two floors. Electricity, water and telecommunications can be connected to the land.

Daily life stays within easy reach. The village centre is a short drive away, and so is Paphos International Airport, which keeps coming and going simple.

This is a large, uncomplicated piece of land, with golf close by and the village at hand, where a home in Agia Varvara can begin to take shape.
