Description
Village life in Polemi is close at hand from this field. Schools, restaurants and cafés are within walking distance, and the village centre is a short drive away. Around the land, open parcels mix with a scattering of homes, giving a landscape-led setting away from dense development.

The field covers 13,044 m² of flat ground in an irregular shape, with a long road frontage that gives direct road access. It lies within a residential zone, so there is room for a home of up to two floors. Water, electricity and telecommunications can be connected.

Imagine planning a home here on level ground, with the village's cafés a stroll away and its everyday rhythm around you. Neighbouring villages such as Psathi and Thrinia are a short drive off, and the wider Paphos district lies beyond.

This is flat, sizeable residential land with direct road access and authentic village surroundings, in a residential setting just outside the heart of Polemi.
