For Sale : **€ 590,000**

Description
Three family houses stand side by side in a residential part of Ergates, on a shared plot of 2,760 m². The village primary school is a short walk away, and parks and green spaces are within walking distance, so everyday life here can unfold close to home.

Each house follows the same family layout. On the ground floor, an open-plan living and dining room opens onto an open-plan kitchen with its own dining room, beside a guest toilet and a laundry room. Upstairs are four bedrooms, one of them en-suite, and a family bathroom, with an attic above. The land has direct road access, and the surrounding neighbourhood of homes enjoys easy links towards Nicosia.

The houses are unfinished and still need mechanical, electrical and woodwork, windows, floors, sanitary ware, painting and landscaping to be completed.

Picture the work done: three homes with light-filled family rooms below and bedrooms above, a short stroll from the school gates and the green spaces of the village, with Nicosia within easy reach.
