Description
Cafés and restaurants sit right beside this residential plot in Aglantzia, with supermarkets and shops within an easy walk and the centre of Nicosia a short drive away. Morning coffee and everyday errands can be part of a simple stroll from your own front gate.

The land covers 1,160 m², with a flat, even surface and a fairly rectangular outline that makes it straightforward to plan around. It has direct road access, and electricity, water and telecommunications can all be connected. Around it, homes mix with businesses along the main avenues close by, giving the area a lived-in, connected character.

Set in a residential zone, the land offers room for a home of up to three floors, shaped to your own ideas from the ground up.

Here, a new home could take shape with the daily rhythm of Aglantzia all around it.
