Description
Geri, in the Nicosia district, is the setting for this field and the chance to begin something of your own. Its residential zoning gives it room for a home, a place to shape around your own idea of how you want to live.

Everyday life stays within comfortable reach. Latsia is a short drive away, and so are supermarkets and shops for the weekly errands. That leaves Geri as a home base with the wider area close at hand.

Residential land in Geri, a short drive from Latsia, makes a promising first step towards a home that grows from your own plans.
