For Sale : **€ 532,000**

Description
Shops, cafés and the village centre of Prodromi lie within walking distance of these two adjacent fields, and the beaches are a short drive away, as are the towns of Polis and Latchi. Around them is a residential neighbourhood of well-finished homes and holiday houses, a setting that already feels settled and cared for.

Together the two fields make up 7,024 m² of relatively flat land in a residential zone, with room for a home of up to two floors. The land has no direct road access.

Picture mornings that begin with a stroll to the village for fresh bread and coffee, and summer afternoons spent by the sea. With Paphos International Airport about 35 km away, the wider region is close at hand too.

A sizeable piece of level ground in a residential corner of Prodromi, where village life and the coast sit side by side.
