For Sale : **€ 515,000**

Description
In Agia Paraskevi, Lakatameia, this flat, even field of 6,689 m² lies in a residential area of detached and semi-detached houses. It has an elongated rectangular shape and direct road access. Its zoning combines residential use, with room for a home, and protection.

The centre of Nicosia and the Nicosia - Limassol Motorway are both within easy reach, and Strovolos lies close by. A distribution agreement is in place for the land. The sale is a 69% share of the field. This is level ground within a residential part of Lakatameia.
