Description
A short walk from the beach in Argaka, this residential field of 7,024 m² combines a partial sea view with flat, even ground. Picture an early stroll down to the shore, then coffee at one of the cafés and restaurants within walking distance.

Zoned for residential use, the land offers room for a home of up to two floors. Water, electricity and telecommunications can be connected, and the land has direct road access. Around it, homes stand alongside undeveloped parcels, a residential setting with the sea close at hand.

Daily life is easy to reach from here. The village centre, supermarkets and shops are a short drive away, as are the neighbouring villages of Makounta and Pelathousa. Paphos International Airport lies about 40 km away.

It is a large, level stretch of land in a seaside village, with a glimpse of the sea and the beach just a stroll away. It is well worth a closer look.
