Description
Tremithousa, in the Paphos district, is the setting for this field, a piece of residential land with room for a home of your own.

Its residential zoning keeps the picture uncomplicated. This is land meant for a home, where you can begin to imagine the house you would build, the rhythm of your days and the village life around you.

Everyday life stays close. The village centre is a short drive away, and so is The International School of Paphos, which makes daily routines easy to plan from here.

A straightforward piece of land in a Paphos village, waiting for the home you have in mind.
