

# For Sale, Land, Field, Paphos, Arodes Kato

Just outside the village of Kato Arodes, in the countryside...

For Sale : **€ 530,000**

**Description**
Just outside the village of Kato Arodes, in the countryside of the Paphos district, this sizeable field sits among farmland, open plots and a scattering of homes. The village centre is a short drive away, and the beaches of Toxeftra and White River Beach are within a drive, so the coast is never far from village life.

The land covers 13,675 m² and lies in a residential zone, with room for a home of up to two floors. A dirt road runs along one of its borders and gives the field direct road access.

Picture a home here, with open land around it and the life of a Paphos village close at hand. Paphos International Airport is about 25 km away, which keeps trips to and from the island simple.

The sale is of a 49/50 share of the field.

Generous residential land on the edge of a village, with the coast within reach, is well worth a visit.
