For Sale : **€ 397,000**

Description
Close to the coast and within Pegeia itself, this field sits among residential and holiday developments, with restaurants and cafés right beside it. The beaches and the seaside village of Coral Bay are a short drive away, so the sea is never far from everyday life here.

The land has direct road access, with frontage on two sides, including an avenue along one border. That gives it a welcome sense of openness to the neighbourhood around it. Its zoning brings two general uses together: part of the land is commercial, suited to a business, and part is residential, with room for a home. The size of each part is not known.

Picture an afternoon coffee a few steps away, then a short drive down to the beaches as the day cools. That is the rhythm of life around this corner of Pegeia.

A distribution agreement exists for the field. The sale is a 5578/10285 share of the field.

With the coast close by and the village's cafés on its doorstep, this is a setting that invites you to imagine your plans taking shape.
