

For Sale, Land, Field, Larnaca, Pyrga

A short walk from the heart of Pyrga, this residential land...

For Sale : **€ 360,000**

Description
A short walk from the heart of Pyrga, this residential land sits among homes and a few open parcels, with the village schools within walking distance. Life here follows the gentle rhythm of a Larnaca village, with Kornos and Mosfiloti a short drive away for shops, cafés and green spaces.

The residential zoning gives room for a home of up to two floors, set within a neighbourhood that is already lived in. Larnaca International Airport lies about 15 km away, so travel never feels far off.

Under a distribution agreement, the holding corresponds to five whole plots and a 1/2 share of a sixth. The five whole plots range from 876 m² to 1,190 m². The sale is a 4015/26848 share of the field.

Village life, homes around you and the centre of Pyrga within easy walking reach give this land a warm, settled setting.
