this field...

For Sale : **€ 355,000**

Description
Konia's village centre is only a short drive from this field, which sits among homes and open parcels of land in Paphos district. It offers an unpretentious setting where village life and the Cyprus climate set the pace of the day. The land lies in a residential zone, with room for a home of up to two floors. Picture mornings that begin with the village close by and evenings spent outdoors in a relaxed corner of Konia. Paphos General Hospital is also a short drive away, which adds peace of mind. The land has no direct road access. A distribution agreement covers the share and assigns it four plots that are still under division. The sale is a 3/5 share of the field. This is residential land in an established village setting, with the life of Konia close at hand.
