For Sale : **€ 226,000**

Description
In the agricultural surroundings of Akrotiri, in Limassol District, this field offers relatively flat ground and direct access from a public road. The land has an irregular outline and sits in an area made up mainly of farmland, away from dense urban development. It lies within a protection zone, which restricts how the land may be used. A level, road-fronted field set in the open agricultural landscape of Akrotiri.
