Description
Village life is close at hand here. This large field sits a short way from the centre of Alassa, in a residential neighbourhood where homes and new developments stand among open parcels of land. Cafés and restaurants are a short drive away, so a coffee in the village or an easy evening meal out can become part of everyday life.

The land is zoned for residential use and covers 16,389 m² in all, which leaves room for a home of up to two floors. Beyond the village, the nature spot of Arkolia is also a short drive away, a green place for slow weekend walks and time outdoors.

The land has no direct road access. A distribution agreement is in place, and the sale is for a 1/2 share of the field.

Open ground on the edge of the village centre, with the life of Alassa all around it.
