For Sale : **€ 211,000**

Description
Close to both the village of Pomos and the sea, this sizeable field of 2,342 m² offers a setting where village life and the coast sit side by side. Restaurants and cafés are within walking distance, so the simple pleasures of the day are never far away.

The land lies in a residential zone, with room for a home of up to two floors, and it has direct road access along one side. Scattered homes and undeveloped plots surround it, giving the neighbourhood an open, unhurried character.

Picture the rhythm of life here: a morning by the sea, a coffee at a nearby café, and an afternoon exploring the countryside, with Pomos Reservoir a short drive away.

A chance to shape a home of your own in this corner of Paphos, with the village and the sea close at hand.
