For Sale : **€ 210,000**

Description
A short drive from the heart of Avgorou, this sizeable field lies in a residential part of the village, where homes stand alongside parcels of open land. It is a setting shaped by village life, with the centre and its cafés and restaurants never far away.

The land covers 5,982 m² with an even surface and an irregular outline, a generous area to plan around. Its residential zoning gives room for a home of up to two floors, and electricity, water and telecommunications can be brought to the land.

Picture a home rising here, with Avgorou's village centre within a short drive. The land has no direct road access.

A large, level piece of residential land in a living village, ready for someone to imagine its future.
