PR36990-REG NO 0/4488

For Sale : **€ 10,000**

Description

Nestled just 80 meters southwest of Odou’s vibrant Community center and 135 meters south of its tranquil park, this residential field in Larnaca District is a canvas for inspired living. Spanning a generous plot with an irregular shape and a gently sloping surface, it offers a unique opportunity to craft a bespoke home tailored to your vision. With a 15-meter frontage along a public registered road, accessibility is seamless, blending rural charm with practical convenience. Falling within the Residential Zone H1, the field boasts a 120% building density, allowing for expansive architectural creativity. Perfect for those seeking to design a modern retreat in a serene yet connected location, this plot invites you to build a sanctuary where contemporary elegance meets the timeless beauty of Odou’s countryside, harmonizing nature and community in every detail.
