Description
Close to the sea in the Maroni area of Larnaca, this field of 3,094 m² sits in a touristic zone, surrounded by farmland and undeveloped parcels. The zoning allows tourist use: hotels of up to three floors, and tourist villages or houses of up to two floors. The land has no direct road access. The villages of Zygi and Psematismenos are a short drive away, as is the Maroni village centre. It is a sizeable plot with touristic zoning, set in open land near the coast.
